- To observe the various characteristics of an event or circumstances.

Burcu and Ela are very close friends. But they haven't been living in the same neighborhood for a while now. They miss each other a lot.

Now we will read a story about Burcu and Ela.

While Burcu was in her room spending time with Giggles, a delicious smell wafted under her nose.

"Humm! I think that my mom is making strawberry cake," she said.

She immediately went to her mother. She had guessed right.

"Mom! You are making my favorite cake! Are we expecting company?" Burcu asked.

"Yes, dear. If you want, you can help me," she asked.

"I really want to! But who is coming, mom?"

Mrs. Kaya laughed,

"It's a surprriise!"

"Ah! I'm very curious, mom. Please tell me!"

"I won't say. Be patient."

Burcu had become very excited. She started helping her mother at once.

Together they prepared beautiful cakes, pastries and cookies.
